Short Description

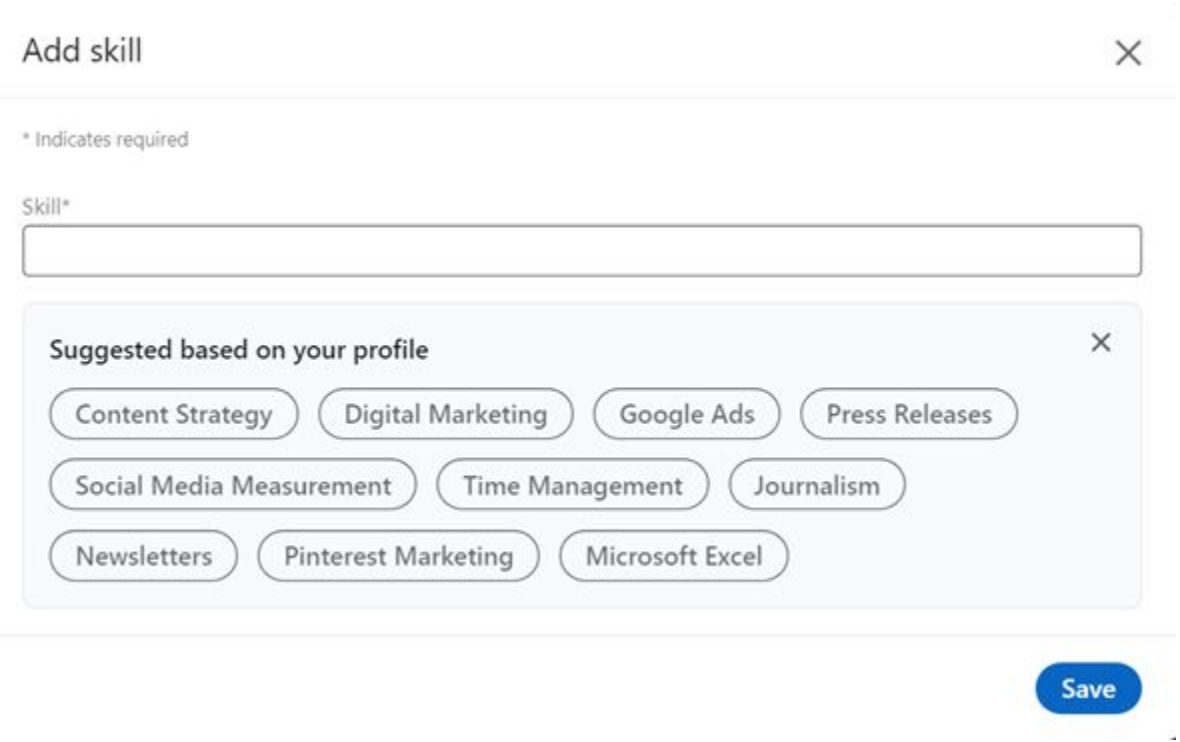

Features

Technologies

Duration

# Skills

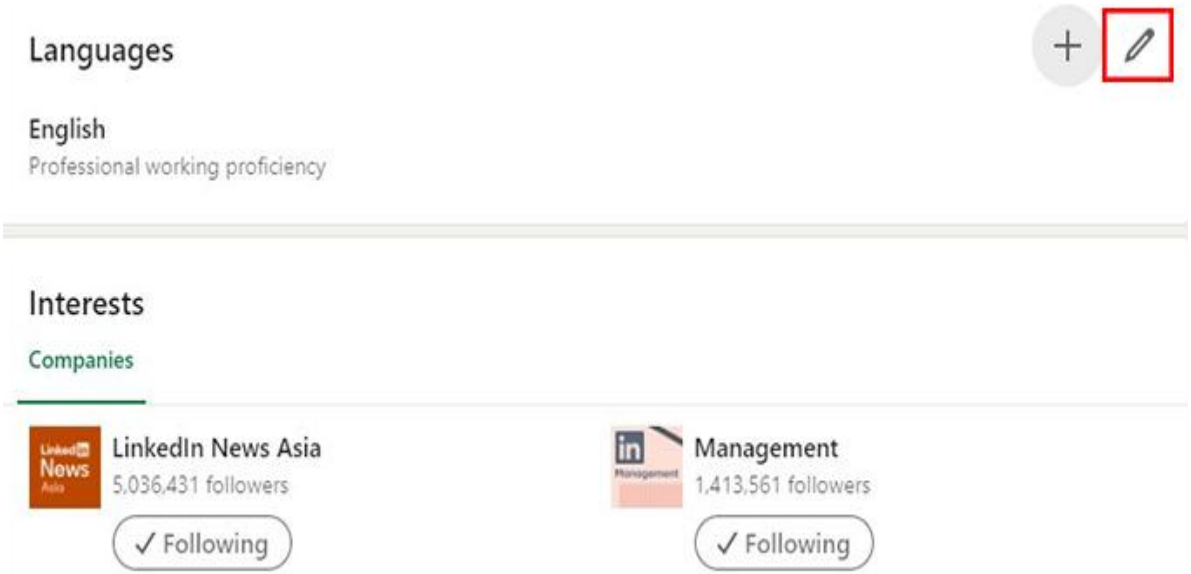

12-15 Technical skills

Soft skills

As many as you can

# Languages

Add the languages you know

# Post with Purpose

- Personal projects & learning journeys
- Industry insights or reflections
- Articles, courses, and achievements
- Golden rule: Add value, be consistent

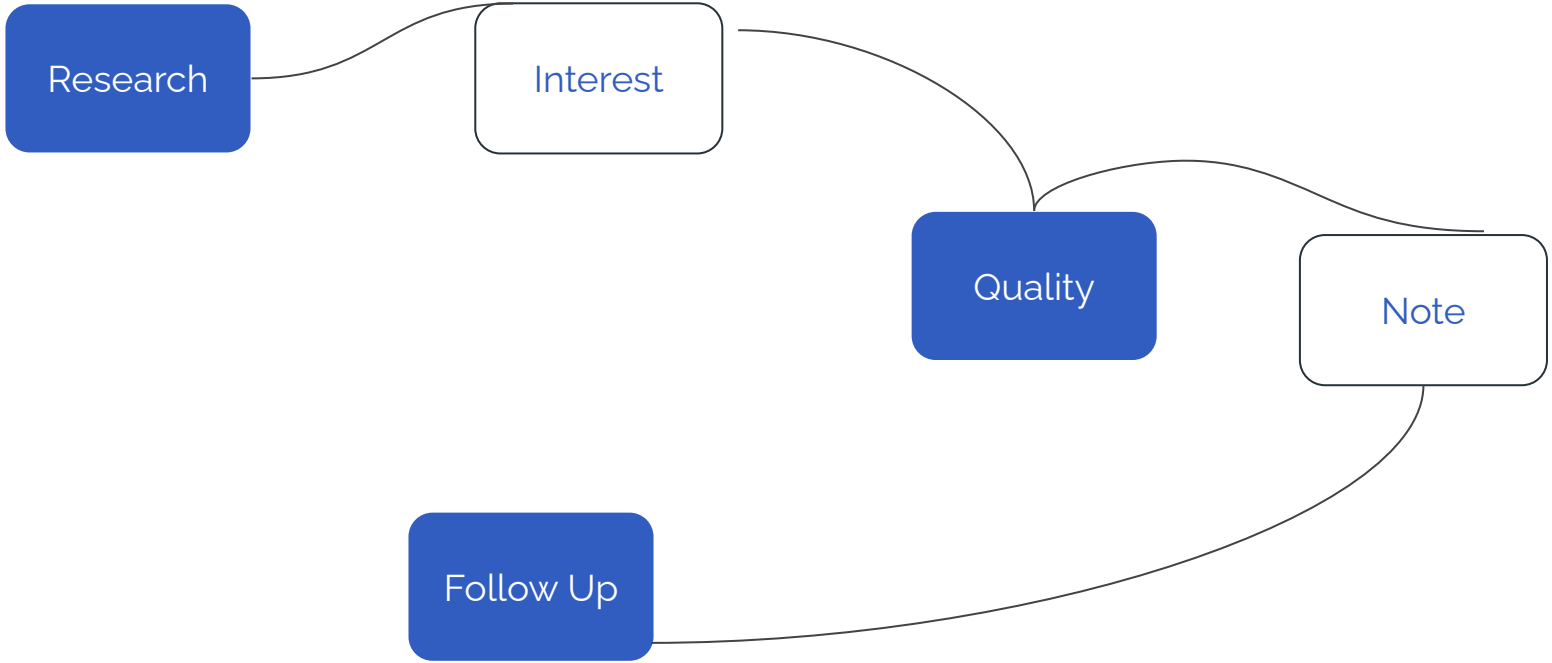

# Job Search & Opportunities

- Use LinkedIn's "Jobs" tab smartly
- Enable Open to Work badge (optional visibility)
- Follow companies you admire
- Turn on job alerts with filters

# Pro Tips for LinkedIn Connection

# Networking

- Build a Strong Profile
- Connect Strategically, comment regularly
- Update The Profile Timely & Post Quality contents.
- Join Relevant Groups
- Be Consistent
- Stay Professional
- Get Idea from AI But Never Copy Paste Them.

# Problems lately

- Only 3 invitation notes can be sent in a month.
- More opportunities for Premium users
- Cannot send direct messages without a connection.
- Less and limited fresher jobs.
- Can send 100 connection requests per month/30 per day based on acceptance.

# Solutions

- Profile verification by E-passport
- 30 days premium account opportunity by Credit card.
- Regular posting/Regular connecting/Regular commenting Avoiding activity peak in a fixed hour. (Bot Issue)
- Send maximum 5 request a day/withdraw request after every 7 days/connect professionally

# Do

- Be Authentic
- Engage Meaningfully
  Post Quality Content
- Build Connections Gradually
- Follow LinkedIn's Community Guidelines
- Use Messaging Thoughtfully
- Stocking to a single device & location/ not keeping too many pending requests.
- Take a break of 5-7 days if any warning is received.
- Get a Custom LinkedIn URL.
- Comment regularly, share post & image, slider

# Don't

- Don't Post Irrelevant or Offensive Content
- Inappropriate/missing profile content.
- False identity/ providing inaccurate identity info. Usage of third party software/tools/automation
- weapons.
- Avoid Spammy Behaviors
- Don't Create Multiple Accounts
- Avoid Violating Copyright or Intellectual Property
- Don't sent too much Connection Request.

# Why You May Get Restrictions on Profile?

Irregular activity

Sending too many connection requests in the short term.

Using AI tools or Extensions

Much Activity in the short term

A huge amount of requests  are sent at once

# Using AI for LinkedIn

Creating LinkedIn Posts

A Strong LinkedIn About Section

Job Application Emails/DM

Optimize Your Experience and Headline

Write LinkedIn Recommendations
